Please note: Slurpee is a registered trademark of 7Eleven and is sold only in 7Eleven stores. This list applies specifically to the Slurpee brand sold in 7Eleven stores. Other similar products that are sold in other stores may not be kosher, even though the flavors may seem to be identical. For kosher certified Iced and Slush Puppie brands, please refer to the beverage list.

This list only primarily applies to 7Eleven stores in the United States. Some flavors are also listed for Canada. Other countries may be using other flavors that are not necessarily recommended.

All 7eleven stores are required to install a specific water filter for the water used in Slurpees, fountain drinks and even coffee! These specific filters, made by EverPure, are rated at 5 to 10 microns, which is sufficient to remove any questionable insects in the water. Therefore, the water used for Slurpees sold at 7eleven stores everywhere in the USA, including NY, have no halachic problems.

The following Slurpees are Kosher pareve unless otherwise indicated. Some flavors may be repeated for easier identification purposes. If the product is certified Kosher, the DIET, ZERO and/or DECAF version are also Kosher.
